1 A " " following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

2 A " " following a block number indicates that the block number is repeated elsewhere in the block.

The main map area displays a portion of a county block map for the 2000 Census. It features a large, irregularly shaped area shaded in light gray, representing a specific geographic region. Within this area, several roads are labeled, including "Ferry Hollow Rd" and "Ferry Hollow Rd". A prominent red line, likely a census tract boundary, runs along the top and right edges of the gray area. A blue line, representing a voting district boundary, is visible on the right side. The text "AMERICAN FALLS CCD 90092" is printed in the center. Various numerical codes are present: "9802" in red, "077002" in blue, and "077003" in blue. A scale bar at the bottom indicates a scale of 1:10000. The map is framed by a black border with coordinates: 42 785284N 112 884542W at the top left, 42 785284N 112 822579W at the top right, 42 723714N 112 884542W at the bottom left, and 42 723714N 112 822579W at the bottom right.

All legal boundaries and names are as of January 1, 2000.  
The boundaries shown on this map are for Census Bureau statistical data collection and  
tabulation purposes only; their depiction and designation for statistical purposes does not  
constitute a determination of jurisdictional authority or rights of ownership or entitlement.
